## IT'S AN AMAZING RACE!

This year, Sky Point hosted their First Annual Amazing Race! On February 12, the Sky Point Leadership Team was split into 2 teams: Orange and Blue. Each team participated in a series of gauntlet challenges and tried to get the fastest time! The teams began their Amazing Race adventure with a balloon waddle followed by a blind chair race to a secret string maze. Then the adventure continued with a glow room followed by frisbee tic-tac-toe and ended with an M&M word scramble. In the end, Team Orange came out victorious! Both teams worked together and strengthened relationships among the different departments. Sky Point is looking forward to continuing this annual tradition for the years ahead!

## UPCOMING EVENT

Spring is finally here and we are excited to celebrate it with you. Join us for our first ever **May Day!** On Wednesday May 5, 2021 between 3:00-6:00pm we will be hosting an outdoor May Day event, where the Sky Point family can decorate a flower pot and bring home their own beautiful flower. In order to maintain social distance, we will be scheduling slots every 20 minutes per person or group.

To keep all participants safe, this event is open only to Sky Point staff, staff's family, and client's and their families. This event is outdoors, but we ask for participants to still wear a mask.

## SPRINGTIME FUN

Who's ready for some spring cleaning? Springtime is a great opportunity to get organized and get your space clean and clutter-free! Try tackling some of the following activities to prepare your space for the warm weather ahead:

- **Dust ceiling fans and light fixtures and vacuum curtains and window blinds**
- **Clean window sills and window tracks**
- **Test batteries in all your smoke detectors**
- **Wipe down your microwave and the oven and scrub the stovetop**
- **Empty the crumb tray in your toaster and toaster oven**
- **Empty the refrigerator, defrost the freezer, and clean the shelves**
- **Organize drawers and closets**
- **Rotate your mattresses and wash bedding and pillows**
- **Disinfect kids' toys (throw plastic toys in the dishwasher!)**
- **Organize cabinets, drawers, and dispose of old medicine and toiletries**
- **Scrub the shower, toilet, bathtub, and wash the shower curtain and floor mat**

Once you are done cleaning, why not take the opportunity to enjoy the spring weather by having a picnic with your loved ones, visiting a new park, taking a hike, riding your bike, or planting a garden!

Direct Support  
Professional

**Thanh Riehm**  
Billing Specialist

**Katelynn Owens**  
Program Manager

## WE RISE BY LIFTING OTHERS

Across the nation in February, we celebrated Black History Month. This is a month to focus on the history, inventions, and achievements of those in the African-American community. Throughout the month, local news station ABC21 featured African-American success stories in the community. Thanks to the help of the Sky Point Leadership Team, ABC21 wanted to do a spotlight interview on our very own Francis Jomo!

Francis shared his story with ABC21 and his inspiration behind starting Sky Point. At the age of 13, Francis relocated to the United States from his first home of Kenya, Africa. Francis went through many challenges and opportunities to grow while adjusting to the American culture. Francis attended Concordia High School, Ivy Tech, and finished up his education at Indiana Tech, earning a Bachelor's Degree in Human Services and a Master's Degree in Business Administration. While in college, Francis began working in the social services field as a Direct Support Professional and found a love for serving those with disabilities. Not only was Francis earning his degree and working, he also wanted to serve his new country in the Air National Guard.

A few years later while still working in the social services field, he met his wife Dana and they soon married and started a family. The Jomos' still felt as if they could do more to serve the community and became foster parents, opening up their home to children in need. During this time is when the idea of Sky Point came to life. The Jomos' wanted to build an organization that truly assisted others and helped those with all abilities gain independence and reach their goals. Because of this passion, Sky Point has grown to serve many families and individuals all across Northeast Indiana. Francis and Dana Jomo are an unstoppable couple who have made it their mission to build Sky Point into the successful company it is today.

## CLIENT CORNER: IN MEMORY OF SANDRA

In this edition of Client Corner, we are honoring the life of Sandra who was a valued member of the Sky Point Family. Late February 2021, Sandra suddenly passed away leaving behind a loving family who wants everyone to know about the joy that Sandra shared throughout her life.

Sandra loved coloring and doing crafts in her free time. Alongside this, it was said that she was an avid Soap Opera fan. She knew the schedules exactly for the different soap operas that she wanted to watch and she was adamant about following this schedule Monday through Friday. Sandra also loved going out to eat with her family at various restaurants in Fort Wayne. Sandra was known for her sweet personality and was loved by those around her. She was always smiling and talkative with her family and those she was close to.

Sandra's family spoke of her 50th birthday party where they went bowling as a fond memory. They shared that there were many family members that attended the party and it made Sandra very happy to be surrounded by her loved ones. Her family has nothing but great memories with her and they will always keep her in their hearts. Even though she is no longer with us, her memory will live on in the hearts of her friends and family and the Sky Point Family.

Sandra was surrounded by a large, loving family. Sandra is survived by her two siblings, Gladys (Adrienne Arlotta) Mushatt and Michael Smith both of Fort Wayne; nieces and nephews, Alicia Smith, Swantiko Oates, Renny Hall, Michael Smith Jr., Davion Smith, Deont'e Smith, Anya Blauvelt; several great nieces and nephews; uncles, Alonzo Spencer and Woodrow Spencer; and special relatives, Renea Smith and Theresa Watkins.
